EURO
PM2021
VIRTUAL CONGRESS & EXHIBITION

Virtual Exhibition Package Details

This is a representative image of the Exhibition Hall, and the final version may differ in layout or decor

Euro PM2021 Virtual Exhibition will be the EPMA's first ever online exhibition, offering the Powder Metallurgy community the opportunity to network with a global audience of Delegates, End-Users, Academics, Students, and fellow Exhibitors. Exhibition visitors will be encouraged by charging them the minimal admin fee of €50 to join the event

As an exhibitor joining the Virtual Exhibition you will be able to:

- Communicate live to visitors on your stand, or arrange meetings with attendees in advance using PM2021's new networking tool
- Promote your business through HD Video and PDF downloads
- Analyse post-event performance using analytics and reports on the number of clicks, views and downloads achieved during the event.

Exhibition Booths are reserved on a first-come-first-served basis, with several exhibition halls deployed dependant on demand.

If you wish to be part of the Euro PM2021 Virtual Exhibition, please contact exhibition@epma.com to reserve your Booth.

The entrance lobby to Euro PM2021 has some advertising space available to Gold sponsors.

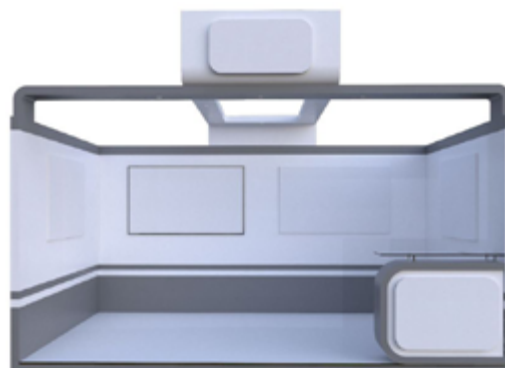

Discussions with attendees at Euro PM2021 will be conducted via our new Networking platform, allowing users to search for contacts, and utilise specific chat rooms for their area of interest

Virtual Exhibition Booking deadline: 30 June 2021
